

# About Magnachip

Magnachip is a Korea-based IDM company delivering innovative power semiconductor solutions for Automotive, Industrial, AI Infrastructure and Consumer applications.

## AI Server & Data Center

-  AI Server
-  Data Center
-  HPC PSU

## Automotive

-  Traction Inverter
-  OBC
-  DC-DC Converter

## Industrial

-  Solar & ESS
-  Motor Drive
-  Automation

## Consumer

-  TV
-  Adapter
-  Home Appliance
-  Battery

## Magnachip Product Portfolio

LV  
MOSFETs

MV  
MOSFETs

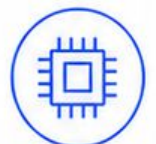

SJ  
MOSFETs

IGBTs

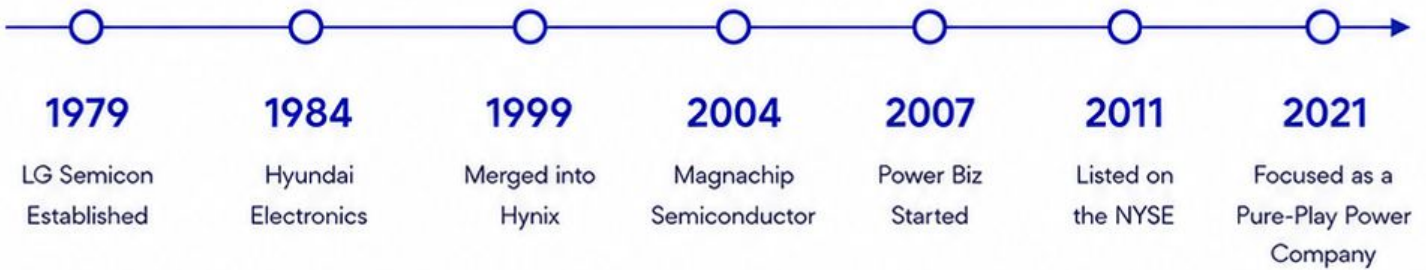

SiC

Power ICs

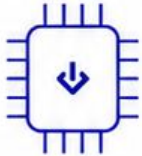

# Our Journey

HYUNDAI
